## *No Monkeys, No Chocolate*

### **Secret Note**

Lenny Lizard hasn't eaten in days. His friend Theresa Toucan gave him a note that she said would help, but he can't read it. Can you?

This note in a is written code secret. read it I want anyone don't else to.

have had finding sorry you such a I'm hard time food. rainforest can hard Life in the be.

news good Here's some. tasty aphids you find hundreds can I know where of.

in the tree tallest Find the forest. Go side to the with the moss most.

the moss facing Stand. Then three right trees count to the.

find all aphids That's you'll the aphids where. luck Good!
